

CONSOLES

MARBLE

## MASSA CARRARA

CARRARA MARBLE HAS A LONG AND DISTINGUISHED HISTORY. IT WAS THE CHOSEN MATERIAL OF MICHELANGELO, CANOVA AND HENRY MOORE. SINCE THE EARLY ROMANS IT HAS BEEN QUARRIED FOR TRIUMPHANT ARCHES, SCULPTURES AND OF COURSE BATHROOMS WHERE IT ROSE TO DOMESTIC POPULARITY DURING THE LOUIS-PHILIPPE AND EDWARDIAN ERAS.

OUR QUARRY IS LOCATED IN THE MASSA CARRARA, NOT FAR FROM OUR LUCCHESI DESIGN OFFICES. BY HAVING A DEDICATED SINGLE SOURCE, THE HUE AND VEIN OF OUR MARBLE ARE COORDINATED OVER THE RANGE WHICH EXTENDS FROM BASIN CONSOLES, FLOOR TILES, TO BATH AND WALL PANELS.

LEFROY BROOKS HAVE CAREFULLY GONE BACK INTO THE ARCHIVES TO RECREATE HISTORICAL PIECES FROM THE GREAT TOWN AND COUNTRY HOUSES OF ENGLAND AND FRANCE. THESE ARE THE DEFINITIVE LUXURY BATHROOMS THAT SPANNED THE TWENTIETH CENTURY - A CENTURY OF CLASSICS.
