

CHEMIN DE FER

CHEMIN DE FER

Lerou Since 1792, Architectural Hardware is the home of the original Belgian 'Chemin De Fer' doorhandle. The 'Chemin De Fer' handle, adorning the Belgian homes from the second half of the 19th century onwards, knows many forms and variations. Among these variations some reinterpretations by some of most best known Belgian architects, amongst others Victor Horta. These different styles of 'Chemin De Fer' handles spanning more than 150 years can be discovered in our showroom. Our 'Chemin De Fer' collection comprehends pull handles, door handles, window handles, furniture handles, towel bars, hinges and privacy sets. We offer them in cast iron, brass, bronze and stainless steel and all of our standard or bespoke finishes.

Lerou Sinds 1792, Architecturale ijzerwaren is de thuis van de originele Belgische 'Chemin De Fer' deurkruk. De 'Chemin De Fer' kruk, die de Belgische huizen siert vanaf de tweede helft van de 19e eeuw en later, kent vele vormen en variaties. Onder deze variaties aantal herinterpretaties door enkele van de meest bekende Belgische architecten, o.a. Victor Horta. Deze verschillende stijlen van de 'Chemin De Fer' krukken die meer dan 150 jaar overspannen kunnen ontdekt worden in onze showroom. Onze 'Chemin De Fer' collectie bevat deurgrepen, deurkrukken, raamkrukken, meubelbeslag, handdoekbaren, paumellen en privacy sets. We bieden ze aan in gegoten ijzer, messing, brons, inox en al onze standaard of gepersonaliseerde afwerkingen.
